## P6 Taster Day

Dear Parent/Guardian,

I would like to invite your child to a 'P6 Taster Day' in Rathfriland High School on **Monday 5<sup>th</sup> June**.

The day will provide an opportunity for your child to experience the range of subjects on offer and the facilities available in Rathfriland High. They will have a short interactive lesson in each department, including some practical activities in Science, Technology, Music, P.E., Home Economics and Art. They will follow a timetable during the day to illustrate how this works in post primary school. Refreshments will be provided during break and all children will enjoy lunch in the school canteen (complimentary).

Children attending the taster day should be dropped off at **Rathfriland High School** at **9am** and **picked up** from school at **2.45pm**.

If your child wishes to join us for the taster day, please complete the attached consent form and return to your child's primary school. Please detail any relevant medical conditions, dietary requirements or allergies and your consent for their participation and the use of images from the event.

I look forward to welcoming your child to Rathfriland High and hope the experience provides an insight to our school. As a parent you will have the opportunity to visit us next January, with your child, via our annual Open Evening.

Kind regards,

Ian Matthews

Principal
